SUNGKIANG AND HEILUNGKIANG HOLD ALL-CIRCLES CONFERENCES

CONFERENCES ELECT OFFICIALS -- Dairen Jen-min Jih-pao, 10 Apr 50

Mukden, 8 April (Hsin-hua) -- The all-circles delegates' conferences, held in Sungkiang and Heilungkiang in late March of this year, appointed provincial officials and approved many important agenda items.

Sungkiang Province -- The all-circles' conference was held during 25 - 29 March 1950. The conference heard and approved the "Report on the Past 3½ Years' Activities in Sungkiang Provincial People's government," submitted by F'eng Chung-yun (1) /numbers refer to appended characters/, chairman of the provincial government, and the "1950 Program for Sungkiang Province" read by Jao Pin (2) secretary, Sungkiang Provincial Committee, CCP Central Committee. The conference ended with the election of officials.

Heilungkiang Province -- The conference was held during 25 - 31 March 1950. It approved the "Report on 1949 Activities and 1950 Program for Heilungkiang" by Yu I-fu (3) provincial chairman, and "Improving Economic Conditions in Heilungkiang", by Chao Te-tsun (4), provincial secretary of CCP Central Committee.

The conference also voted to establish committees to increase mutual assistance between cities and villages, help settlement of migratory workers who come to Heilungkiang to pursue production activities and to promote the welfare and protection of pregnant women. It elected a provincial chairman, deputy chairman, committee members, and members of the consultative committee for the all-circles delegates' conference. The officials of the latter committee include Yu I-fu, chairman, Chang Jui-lin (5) and Wang Ch'ing-cheng (6), deputy chairmen.

Sungkiang Province -- F'eng Chung-yun stated that "In 1948, the province produced an estimated 219,760 tons of grain. In 1949, despite natural calamities, production was increased to 1,600,000 tons. Farmers fertilized 600,000 chiung [one chiung is about 1 1/6 acres] and participated in secondary occupations to increase their incomes." Jao Pin emphasized the need to increase grain output to 2,655,000 tons in 1950, increase arable acreage by 6 percent by clearing 59,000 chiung of wasteland.

Heilungkiang Province -- Yu I-fu stated that "In 1949, despite drought, the province produced 3,220,000 tons of grain which is an increase of 240,000 tons over 1948. During 1950, the plan is to raise the grain production to 4 million tons, an increase of 600,000 tons over 1949, and to increase the arable acreage to more than 1,250,000 mou [one mou equals 1/6 acre]."
